## **2. ADNOC's US investments moved to international arm XRG**

Date: 2025-02-04

Abu Dhabi National Oil Company's investments in the United States now sit within its new international investment arm XRG, ADNOC's CEO said on Tuesday, as the oil giant moves to build up a business focused on lower carbon energy and chemicals. The U.S. investments are in an ExxonMobil hydrogen plant and in NextDecade's liquefied natural gas facility.
